PREAMBLE

The natural and cultural common values and historical heritage properties and similar identities in cultural diversity lead us to establish further formal cooperation between our professional architectural associations.

INTENTION

On the presence of the *President of UIA* and the *Vice-President of UIA Region II.*, based on the initiative of *President of Association of Hungarian Architects* those who are present agreed to start the process for the formation of a new professional cooperation in order to expand and achieve the objectives mentioned in the preamble.
